Open your

Open your

# YOU CAN HELP END ABORTION

It has been 42 years since the U.S. Supreme Court made abortion legal in all 50 states and through all nine months of pregnancy. Since that fateful winter's day on January 22, 1973, when the High Court handed down its *Roe v. Wade* ruling, more than 57 million unborn children have been robbed of life and their mothers placed on a lonely road of guilt and regret.

Here in Broward County, abortion takes the lives of 33 preborn boys and girls every day. Some 12,000 babies perish each year in nine abortion facilities in our own county. Abortion is the leading cause of death in Broward, ending more lives than cardiovascular disease, cancer, AIDS, or any other cause.

## A Local Solution to Abortion

But what if there was something we could do right now, right here, to peacefully protect abortion-minded moms and their unborn babies from abortion? What if there was a local solution with a long track record of success—one that has helped save more than 9,000 lives and closed 59 abortion facilities?

There is—and it begins with prayer. If you want to help end abortion, the first thing you must do is pray. And prayer is at the center of 40 Days for Life, a focused 40-day campaign of prayer, fasting, and peaceful vigil. It is the largest internationally coordinated pro-life mobilization in history, now in 27 countries and 559 cities.

You and your church can be a part of this proven successful campaign to end the injustice of abortion. It begins on Wednesday, February 18 (Ash Wednesday) and is your chance to join others as we unite in prayer around a common focus: asking God to spare lives and end abortion. Together, let's act to see the beginning of the end of abortion in Broward County, in Florida, and in America.
